The photographs above feature our Self Laminating Tags that have are used in many different industries including Commercial, Industrial, Retail, Agricultural, Automobile, Real Estate & Construction, for years.

We are now offering the opportunity to custom print this style tag to meet the specifications of your own company. There are many variations & uses available with these types of tags. They can be used as key tags, inventory tags, identification tags, or whatever else will fit your own companies' specifications since we can print any logo or message on the tag. Fill in your own information on your pre-printed tag, peel off paper liner to expose the adhesive laminate, and fold over to seal and protect. The polyester laminate keeps the tags fade, waterproof, dirt, & grease resistant. The heavy-duty cardstock tag is supplied with pre-punched holes & steel-plated rings. The tags measure 1¼" X 3" when folded.

The minimum order for custom printed tags is (5,000) per carton for each color. The ink color is black and the tags are available in nine different background colors including yellow, grey, orange, tan, red, white, blue, lilac, & green per carton. The tags are FOB: Missouri. Production time for custom printed tags is (14) working days after artwork approval. Terms: Pre-paid on all orders or net 30 days upon credit approval. Purchasers must agree to, date, sign, and return the Buyers Terms & Conditions of Sale prior to our acceptance of a Purchase Order. **Please call for prices and samples.**

Thank you,
